## GLP Park Bratislava Senec – The Heart of CEE Logistics

GLP Park Bratislava Senec is a premier logistics and light production destination strategically located just 20 km from Bratislava and next to the D1/E75 highway. Positioned within one of Central and Eastern Europe's largest logistics hubs, it ensures quick access to major regional markets and Bratislava International Airport.

## Tailored for Every Industry

This modern development is designed to meet the diverse needs of logistics operators, light manufacturers, food and non-food retailers, e-commerce companies, and automotive suppliers. Flexible build-to-suit options allow tenants to customize warehouse or production space to their exact operational requirements.

## Connectivity, Efficiency, Sustainability

With seamless highway connections to Vienna, Budapest, and Prague, GLP Park Bratislava Senec offers unmatched transport efficiency. Built with sustainable materials and advanced energy systems, the park aligns with GLP's ESG vision – combining ecological performance with long-term business growth.
