Overview

A 7,455 sq m divisible logistics space is available in Meyzieu, east of Lyon, with immediate access to the A432, A42, A6 and A7 motorways. Located in the heart of a well-established logistics hub, Marq Logistics Lyon Est benefits from excellent connectivity to Lyon city centre (19 km), Lyon-Saint Exupéry Airport (10 km), and major regional and national distribution routes. The site also offers access to a large consumer catchment area and a skilled workforce across the Rhône region.

Features

Marq Logistics Lyon Est 2 offers 7,455 sq m of logistics space available immediately.

The building features a 10-metre clear height, 5 t/sq m floor load capacity, loading docks, office space, and both car and truck parking facilities, including a 30-metre truck yard. The property can be fully adapted to meet occupiers' requirements for logistics, industrial, or e-commerce operations.
