Overview

Marq Logistics Orléans 2 offers 20,419 sq m of logistics space available for lease in Ormes, one of the leading logistics hubs in the Orléans metropolitan area. Ideally located with direct access to the A10 motorway, the property benefits from a strategic location just 1.5 hours from Paris and 15 minutes from Orléans city centre. Situated at the heart of a well-established logistics cluster, it provides excellent connectivity to major national and European transport networks, making it an ideal solution for occupiers seeking efficiency, accessibility, and supply chain performance.

Specifications

The asset comprises 20,419 sq m of warehouse space and features 25 loading docks and 2 ground-level access doors, ensuring efficient logistics operations and flexibility for a wide range of occupiers.
