Overview

Kraków Airport Logistics Centre is strategically located in Modlniczka (Kraków area), an emerging logistics hub that connects Eastern and Western Europe.

Features

It is located in direct adjacent to Kraków Ring Road (S52 Expressway) which guarantees an immediate access to the Kraków city centre as well as a comfortable and seamless connection with the regional and country transport infrastructure.

GLP Kraków Logistics Centre means a perfect choice for multi-customer storage, distribution and light manufacturing. Kraków Balice International Airport is only 4 km away from the park.
