Overview

G-Park Anagni 3 will be the first net carbon zero building for GLP in Italy. Employees will also have access to an outdoor area where they can enjoy their breaks, with seating, games, green spaces, and relaxation areas. There will also be charging points for electric cars and bikes. The G PARK Anagni 3 building is constructed to the highest quality and sustainability standards guaranteed by BREEAM Excellent certification. Its location, in an area with a strong logistics focus within the Rome macro-area market, makes this warehouse a unique opportunity.
