Overview

15,206 m² of logistics space available in Meyzieu, east of Lyon, with immediate access to the A432, A42, A6 and A7 motorway network. Located in the well-established Lyon logistics region, Lyon Logistics Park 1 & 2 offers fast connections to central Lyon (19 km), Lyon-Saint Exupéry Airport (10 km), and major regional and national distribution routes. The site benefits from a large consumer catchment area and access to a skilled workforce in the Rhône area.

Features

The park offers two modern logistics buildings totalling 15,206 m², available now. Building 1 provides 8,088 m² of space (warehouse 7,754 m², offices 304 m², technical area 30 m²). Building 2 provides 7,455 m² of space (warehouse 7,118 m², offices 310 m², technical area 27 m²).

Both buildings include a clear height of 10 metres, floor load capacity of 5 t/m², loading docks (9 docks + 1 level access for Building 1; 9 docks + 1 level access for Building 2), integrated office areas, and parking for cars and trucks with a 30 m truck yard. All specifications can be adapted to the operational needs of logistics, industrial or e-commerce users.
