Overview

Marq Logistics Ablaincourt offers 18,828 m² of logistics space available for lease within a modern facility certified BREEAM Very Good. Ideally located near the A1 and A29 motorways, the site provides excellent connectivity to major European logistics hubs including Paris, Lille, and the ports of Dunkirk, Calais, Le Havre, and Antwerp.

Features

The available space consists of 3 storage units, featuring 18 loading docks, 2 ground-level access doors, a clear height of 12 meters, integrated office space, and 94 car parking spaces.

ESG

The site includes a rooftop photovoltaic power plant, one of the largest in the logistics sector in France, reflecting Marq's commitment to sustainable and low-carbon logistics.
