Warehouse for Lease in Rzeszów – Rzeszów Logistics Centre

Rzeszów Logistics Centre is a modern warehouse for lease in Rzeszów, offering a total of 31,000 sqm of logistics space, with 25,300 sqm currently available. Units can be flexibly configured from 3,780 sqm, allowing tenants to precisely match the space to their operational needs. The project is developed in line with high technical and sustainability standards and is BREEAM certified, ensuring efficiency, quality, and environmental responsibility.

Rzeszów Logistics Centre – Prime Location in the Podkarpackie Region

As a strategically located logistics centre in Rzeszów, the development benefits from excellent transport connectivity. Immediate access to the Via Carpathia route and the A4 motorway enables fast and efficient distribution across Poland and Central and Eastern Europe. The proximity to Rzeszów–Jasionka International Airport further enhances the site’s appeal, making it an ideal logistics solution for companies operating in international distribution, e-commerce, and time-sensitive supply chains within the Podkarpackie region.

Warehouses and Offices for Lease – A Workplace Designed for Comfort

In addition to modern warehouse space, Rzeszów Logistics Centre offers 796 sqm of high-quality office space for lease, allowing operational and administrative functions to be located in one place. A striking on-site mural, combined with carefully designed landscaped green areas, creates a pleasant and inspiring working environment. The thoughtful blend of functionality, architecture, and aesthetics makes this warehouse for lease in Rzeszów a location that supports both operational efficiency and employee well-being.
