GLP Sosnowiec – A Three-Building Logistics Park of Nearly 100,000 sqm

GLP Sosnowiec is a modern logistics and warehouse park comprising three buildings with a total area of nearly 100,000 sqm. Located in a prime part of the Silesian region, the project offers flexible warehouse units, excellent access to major transport routes and a high technical standard tailored to the needs of logistics, e-commerce and light production companies. Its energy-efficient solutions and adaptable layouts make GLP Sosnowiec a reliable and future-ready choice for businesses operating in southern Poland.
