MANNHEIM 1 LOGISTICS CENTRE

MANNHEIM ECONOMIC REGION

The Rhine-Neckar metropolitan region is one of the most important business locations in Germany, which is reflected in an above-average gross domestic product per inhabitant. Traditionally strong are the chemical, electrical and mechanical engineering industries as well as pharmaceutical and medical technology. The metropolitan region is crossed by important European east-west and north-south transport routes and is also a sought-after location for logistics and distribution.

Mannheim is the cultural and economic center of the region and Germany's seventh-largest metropolitan area with 2.4 million inhabitants and around 792,000 employees. With the Port of Mannheim, the city has the second-largest inland port in Europe, while the freight station is one of the largest transshipment points in Germany.

The property is located in the industrial and commercial area of Friedrichsfeld, about 15 minutes by car from the center of Mannheim.

It is within sight of the A656 freeway, the A6 and A5 can be reached in a few minutes.

Strategic location

A strategically well located site directly on the A656 freeway.
