A DEVELOPMENT BY:

NFU Mutual

The most successful distribution site at J28, M1

CW177 and CW134 form part of the last phase of development within Castlewood where 1.5 million square feet has already been developed for a number of high profile occupiers including Co-op Food, Alloga and Parker Knoll.

Castlewood is accessed directly from the A38(T) which provides direct dual carriageway access to J28 of the M1 (1 mile).

J28 is recognised as the largest strategic cluster of distribution space in the northern part of the East Midlands with the A38 providing dual carriageway access to the West Midlands market crossing the A50 at Burnaston.

The M18 joins the M1 at J38 providing access to the east coast ports.

The legacy of the North Notts coalfield communities provide an excellent labour pool.
