G-PARK MASQUEFA

AN UNBEATABLE LOCATION FOR A SUSTAINABLE PROJECT

Located in a privileged enclave, this 28,828.65 m² logistics platform, built on a 55,452 m² plot, has innovation and sustainability in its DNA.

Strategically located 30 minutes from El Prat Airport, it has direct access to the BV-2249 motorway and connections to the AP-7 and A-2.

This is an immologic project with an unbeatable location in the Anoia region. The project will have the best certifications in terms of sustainability and wellbeing.

In line with the brand's environmental commitment, this platform stands out for its innovative design that blends the logistics park into its surroundings.

GLP will begin construction in 2022 and expects delivery in the fourth quarter of 2023.

Strategic location

Located in the Anoia region, the site offers quick access to the AP-7 and the A-2, via the BV2249 and B-224 roads.

Qualified personnel

Availability of qualified personnel in the surrounding area. The project could generate 260 jobs in the region.

High quality

The best certifications in terms of sustainability and wellbeing, including LED lighting, solar panels, energy savings in the building envelope and indigenous vegetation.

Fully fitted out offices

Equipped with numerous sustainability and wellness features.

JOB AVAILABILITY IN ANOIA

WHY G-PARK MASQUEFA

Operations

This space, one of the first green enclaves in Europe, stands out for its size in Catalonia - a region characterised by the scarcity of land - as well as for the way it blends in with its surroundings.

Strategic Location

The project is located in an exceptional area for national and international distribution.

Sustainability as standard

The facilities will incorporate the Breeam Very Good environmental certificate.

Leadership

GLP is a leader in the development and investment of state-of-the-art logistics warehouses.
