An Integrated Global Business

GLP is a leading global business builder, owner, developer and operator of logistics real estate, data centers, renewable energy and related technologies. GLP's deep expertise and operational insights allow it to build and scale high-quality businesses and create value for its customers. GLP owns and operates assets and businesses in 17 countries across Asia, Europe and the Americas.

GLP Capital Partners, a global alternative asset manager with approximately \$125 billion in assets under management as of 31 December 2022, is the exclusive investment and asset manager of GLP.

About GLP in Europe

GLP owns one of the highest quality portfolios in Europe with assets located in key global gateway and population centres across Germany, UK, France, Spain, Italy, Poland, Hungary, Slovakia, Czech Republic, Netherlands and Belgium.

We have industry-leading capabilities across the whole value chain including Development, Asset management and Leasing. We have a proven track record of delivering more than 10 million sq m of warehouse space to a broad range of customers.

Our portfolio is characterised by prime big box logistics assets developed to industry-leading specifications and occupied by a diverse customer community. Our current operating portfolio consists of more than 8.5 million sq m across the strategic logistic markets. In addition, GLP has a prime land bank which allows for the development of an additional 3.8 million sq m in strategic locations within our key European markets.
