The city & location

A home to leading occupiers

The property is centrally located in Trafford Park on Ashburton Road West. Trafford Park was the first purpose built industrial park in the world and to this day it remains one of the largest industrial parks in Europe.

Trafford Park is home to over 1,300 businesses employing over 35,000 people and is globally recognised as a hub of excellence and for the diverse array of businesses in occupation, including: Amazon — Kellogg's — Adidas — Unilver — DHL — P&G.

There are over 120,000 registered businesses located within a 30-minute drive from Trafford Park and over 99.5% of properties in the area are now connected to superfast broadband with Trafford Park also benefitting from 'The Loop', a fibre network able to deliver ultrafast connectivity up to 10Gb/s.

Trafford Park is located approximately 3 miles to the west of Manchester City Centre and provides excellent access to the north west region's motorway network and key arterial roads.

Junction 2 of the M602 is 1 mile to the north and Junctions 9, 10 and 11 of the M60 ring road are within 1.7 miles. The M60 motorway provides access to the M56 and Manchester International Airport which is 10 miles to the south.

Trafford Park is also serviced by a dedicated rail freight terminal which handles approximately 20 daily services to and from Felixstowe, Southampton and London Gateway.

Strong, skilled & thriving labour pool

The Greater Manchester economy has more than doubled in size since 2000, recording an annual GVA of over £105bn in 2020 (GlobalData 2020) and forecast £121bn in 2022 (GlobalData 2022F).

The city is thriving as a global brand, well known for its sport, culture, education and commerce and is the third most visited city in the UK.

**Total population
7.6 million within
a 1 hour drive**

Unemployment rate 2.7% (GB 2.4%)

**Average wages
27% lower
than London**

4 Universities within local catchment area

Strong labour pool

Manchester has the largest regional millennial population in the UK as well as the largest student population in Europe, with over 100,000 students across 4 universities.

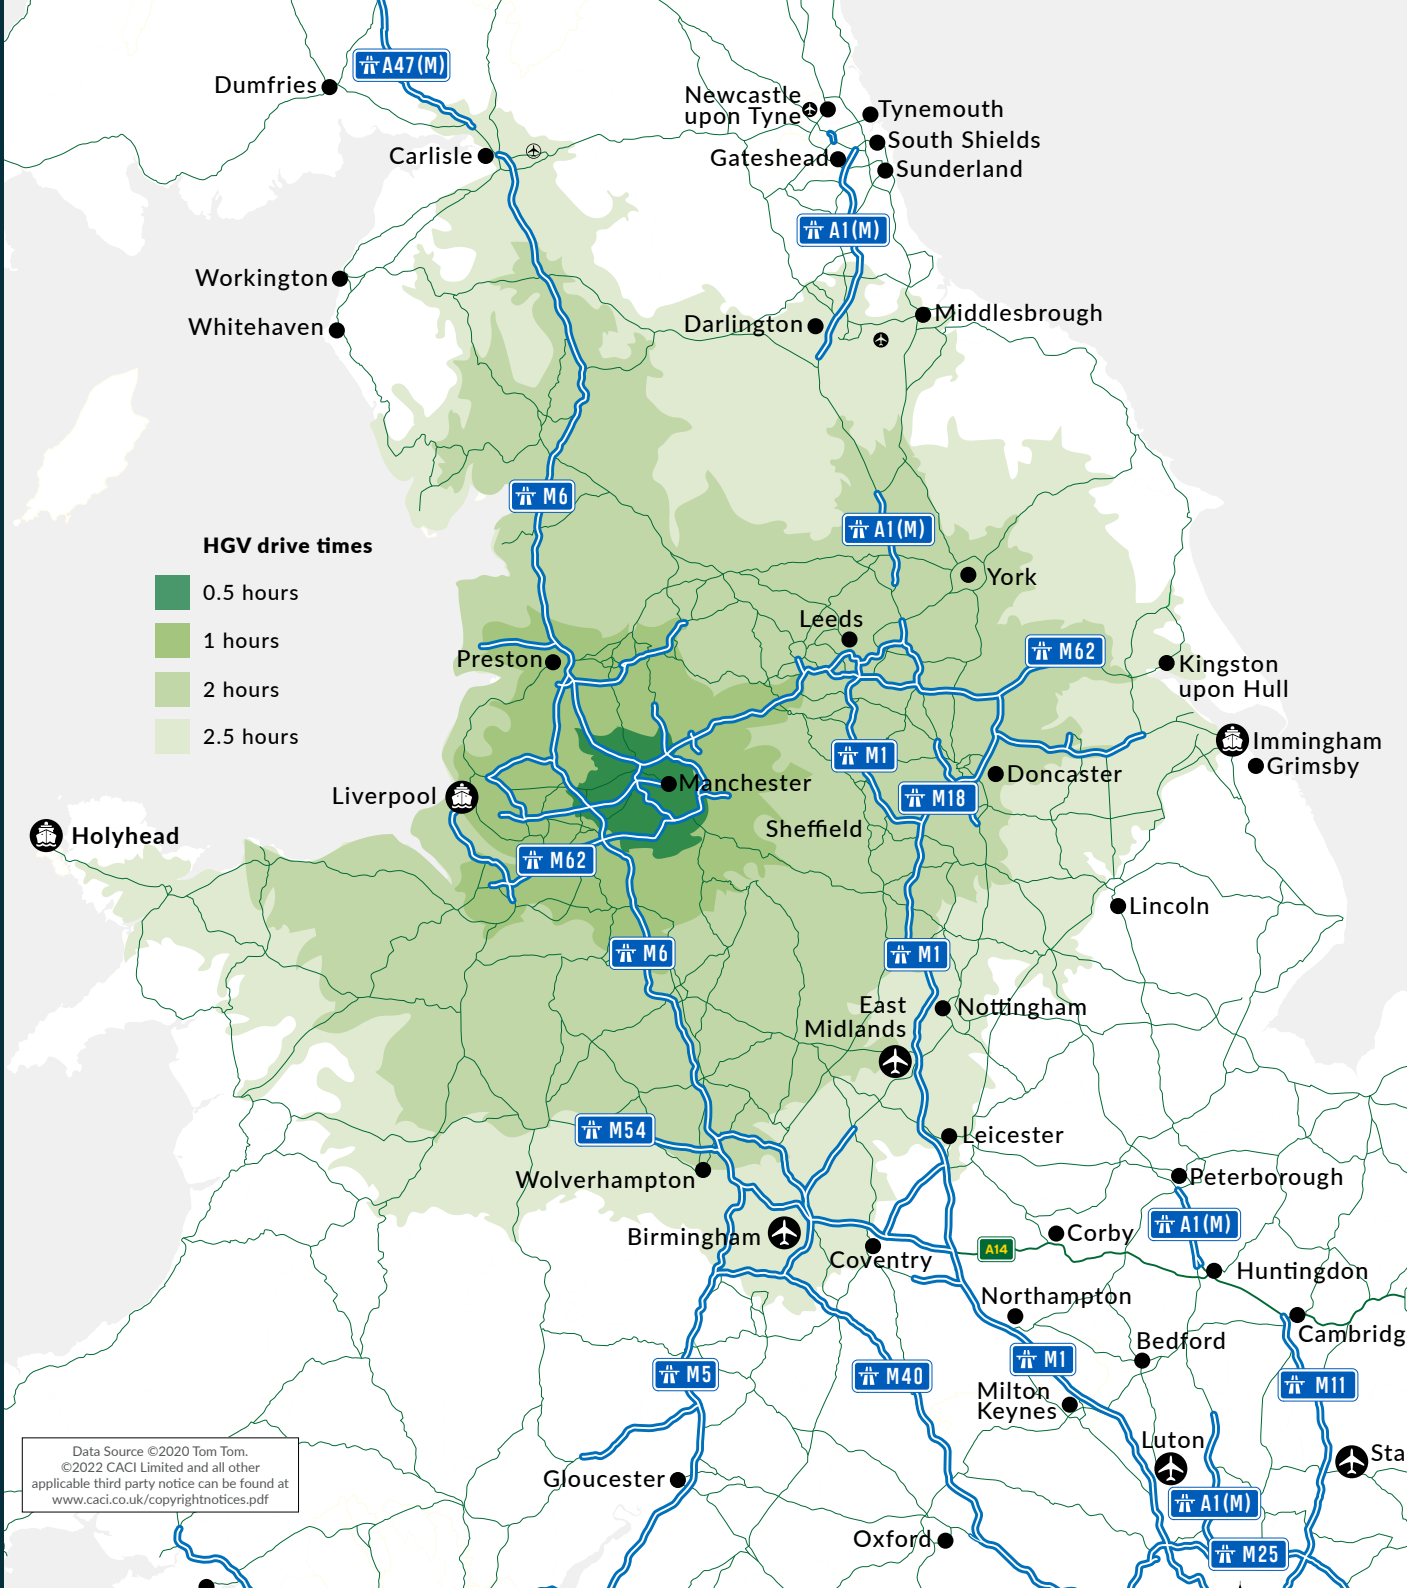

The city boasts an impressive graduate retention rate of 51.5%, second only to London in the UK, providing a large supply of talent to the employment market and underpinning the city region's appeal to business.

The city & location

Strategically located & well connected

Trafford Park is located approximately 3 miles to the west of Manchester City Centre and provides excellent access to the north west region's motorway network and key arterial roads.

Prominently located on Ashburton Road West, one of the main thoroughfares through Trafford Park.

Rail freight terminal direct to docks
Trafford Park is also serviced by a dedicated rail freight terminal which handles approximately 20 daily services to and from Felixstowe, Southampton and London Gateway.

AIR

Manchester International Airport
The M60 motorway provides access to the M56 and Manchester International Airport which is 10 miles to the south.

The city & location

Best UK city to live

Manchester is and always has been a great place for living life to the full – that's part of the reason it was voted the Most Liveable City in the UK (*The Economist*, 2019) and the 3rd Best City in the World (*TimeOut*, 2021).

From the buzzing urban cool of the city centre and its international cultural attractions to the natural beauty of the Pennines and the Peak District; whether you are interested in music and the performing arts, sport and leisure or history and heritage, there is something to suit every lifestyle in Manchester.

The city is one of the most visited in the UK and being home to more than 100,000 students gives it a real vibrant edge, supporting its ranking ahead of London, New York and Rome as one of the world's most liveable cities.

Living in Manchester, you get much more for your money, an important factor in recruiting and attracting people to work and live here.

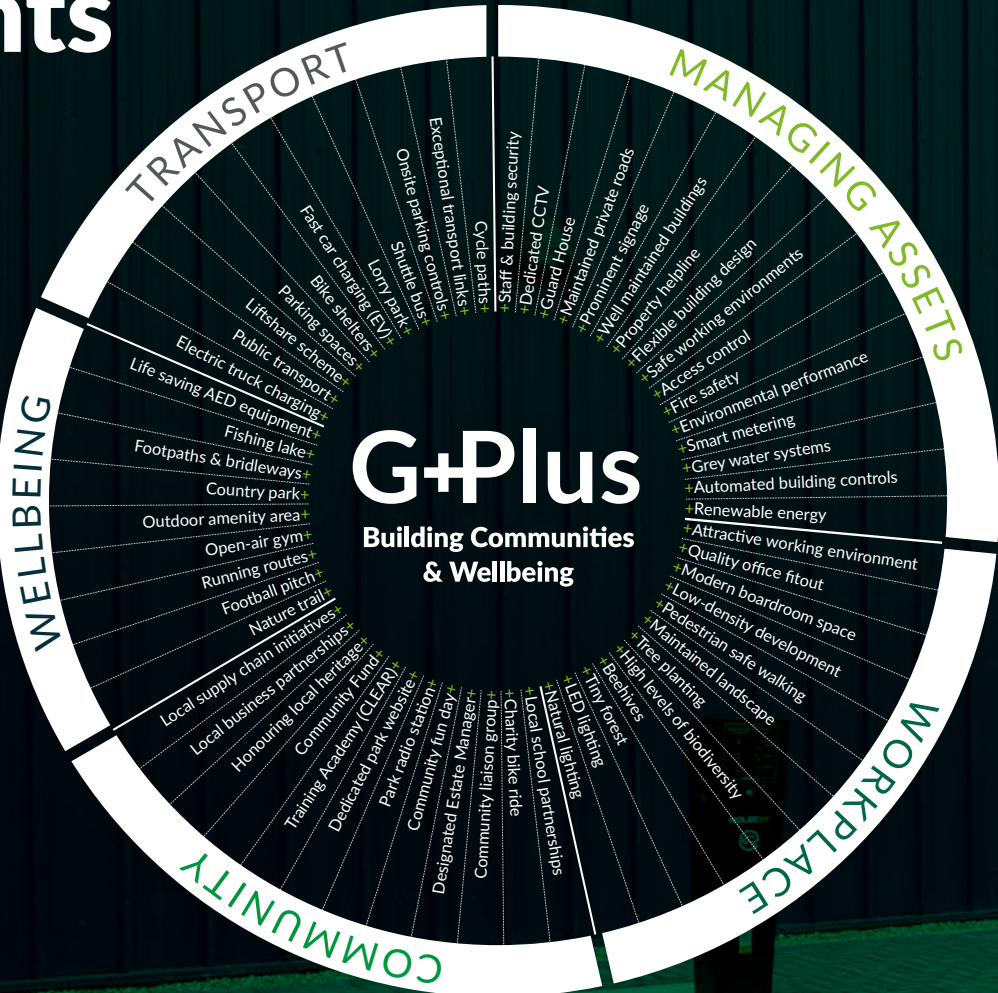

Building environments that work for you

Transport+Managing Assets+Workplace+Community+Wellbeing

We're on a mission to create an environment where customers' businesses can prosper and employees enjoy coming to work. G-Plus — an initiative from GLP.

We're more than a logistics park

G+Plus
Building Communities & Wellbeing

Benefits of working at G-Park Manchester Trafford Park

G-Park Manchester Trafford Park takes pride in establishing a remarkable workplace environment that not only prioritises the well-being and safety of your employees but also offers a range of added advantages. From secure parking and fast EV charging to easy access to transportation and a contemporary, visually appealing workspace, we go above and beyond to provide a multitude of benefits that enhance your own and your employees' overall experience.

 Exceptional transport links	 Safe working environments	 Attractive work environment	 Well maintained buildings	 Public transport	 Property helpline	 Renewable energy	 Quality office fitout	 Pedestrian safe walking	 Parking spaces	 Natural lighting
 Bike shelters	 Fast car charging (EV)	 Tree planting	 Global Robotics Services	 Staff and building security	 Smart metering	 Automated building controls	 Modern boardroom space	 Environmental performance	 Grey water systems	 LED lighting

* All of the G-Plus facilities and amenities will be project dependent and agreed with each customer.

Representative Images

FLEXIBLE
OPERATION

2 level access doors provide flexibility of movement between the warehouse and service yard for all types of vehicles – including forklift trucks.

BARRIER
PROTECTION

The yard also includes barrier systems to help prevent serious damage and minimise risk of accidents.

Warehouse highlights

A modern warehouse with an array of energy saving features

Our floors are designed and constructed using high quality materials and wherever possible are fully recyclable.

Our rooflights provide illumination during daylight hours, combined with energy efficient and intelligent lighting, this provides the optimal energy efficient solution for any type of operation.

Representative images

Energy-efficient LED lighting is used throughout.

Excellent air tightness

Quality & premium floor

Max. flexibility for racking

Optimising natural light

LARGE VISION PANELS

All our dock doors have large doubled glazed vision panels installed which allow operators to check for a docked vehicle before opening.

OPTIMISING NATURAL LIGHT

Translucent panels provide illumination of the warehouse in daylight hours, reducing any operational requirements for lighting — and the associated running costs.

Creating a modern office environment with cutting-edge enhancements

GLP recognises the importance of the office areas as places for people and the relevance of building design to facilitate health, well-being and productivity. Our buildings are designed to the principles of 'WELL Building' certification, whilst maintaining flexibility to enable ease of customer fit out.

Representative images

GLP washroom facilities are to a market-leading specification.

MODERN RECEPTION

First impressions count. As such, the GLP reception area is contemporary, open, spacious and flooded with natural light.

OPEN PLAN KITCHEN

Open plan kitchen and break out area, providing and supporting a collaborative working environment.

MATERIAL BENEFITS

Contemporary panoramic windows and suspended ceiling tiles. The tiles are 100% fully recyclable and come with a wide range of performance benefits, including sound absorption and good light reflection properties.

Warehouse
fit-out

GLP can provide customer-specific,
cost-effective racking solutions

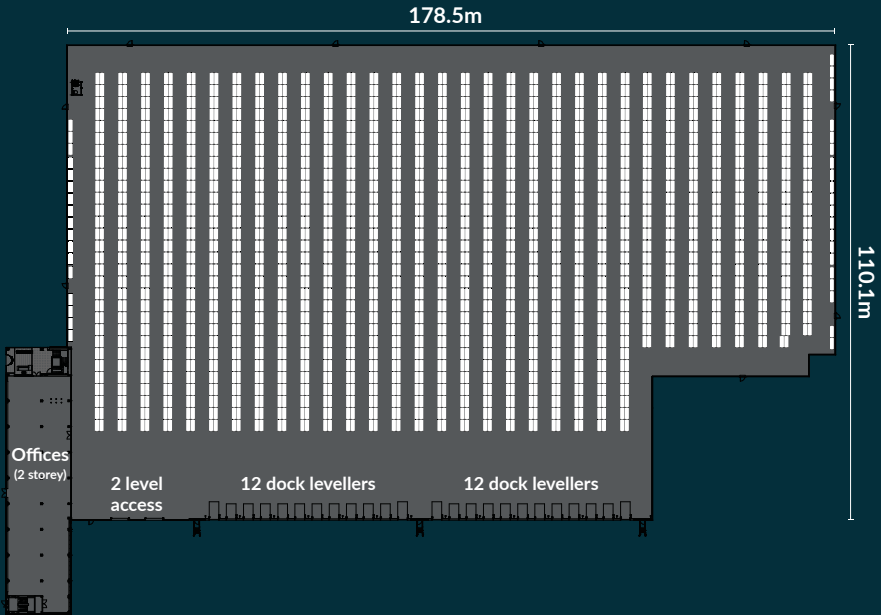

GLP partners with leading racking suppliers to provide customer-specific solutions. These can be provided by GLP or ordered by the customer with installation managed during the construction process.

Floor design, including joint layouts, is fully coordinated to suit the site-specific racking layouts.
