The perfect hub location for the South East

With access to an active and wealthy consumer catchment area, G-Hub Crawley provides an excellent location to serve households and businesses from South London to the South coast.

Within 90 minutes' drive of G-Hub Crawley, there are 5.65 million households, 55% of which have a total income greater than £35,000 per annum.

G-Hub Crawley provides access to serve some of the most financially secure people in the UK. 67% of households within 90 minutes have the ability to spend relatively freely and are considered to be high spending households. The households within this catchment area are affluent internet users, tending to regularly shop online for a high variety of products.

The 14 million people within 90 minutes spend more than the average UK household on groceries, fashion and household goods.

Average annual spend per household within 90 minutes' drive time

£107,000 spent annually on takeaway meals within a 30-minute drive

National average: £4,752

Household furnishings
£2,889
National average: £2,599

Additionally, there are approximately 76,000 businesses within a 90 minutes' drive of which:

22%
are professional and technical businesses

13%
are information and communication companies

7%
are retailers

Labour

G-Hub Crawley provides access to a diverse workforce pool and competitive labour rates.

- ✓ 395,000 people of working age
- ✓ 75% of whom are economically active
- ✓ 8% work in the transport and storage industry (national average 5%)

Located within the Gatwick Diamond

G-Hub Crawley is superbly located near to Gatwick Airport; Manor Royal Business District is the single largest business destination located at the heart of the Gatwick Diamond.

Covering an area of 540 acres, Manor Royal Business District is home to over 600 businesses, providing employment for circa 30,000 people.

A much sought after area, the business district provides a wide range of property options from high quality HQ style offices, larger industrial and warehouse options to workshops and serviced workspaces.

Excellent connections by road, rail and air makes access to skilled labour, domestic and international markets and customers that much easier. The M23 motorway (junction 10) is just 2 miles away (6 min drive), as is Gatwick Airport. Crawley Town Centre is 1.5 miles away and Central London is 36 miles away.

Manor Royal Business District has seen significant private and public investment in recent years. This has led to notable improvements to the public realm and facilities and services to reinforce Manor Royal's reputation as a destination of choice for a range of occupiers, industries and people.

G-Hub Crawley

Best-in-class specification including level access and dock loading doors

The yard benefits from a best-in-class specification extending to 50m, suitable for 44 tonne HGV traffic, 7 dock doors and 2 level access.

Up to 50m yard depth and suitable for 44 tonne HGV traffic.

FLEXIBLE OPERATION

2 level access doors provide flexibility of movement between the warehouse and service yard for all types of vehicles – including forklift trucks.

BARRIER PROTECTION

The yard also includes barrier systems to help prevent serious damage and minimise risk of accidents.

A modern warehouse with an array of energy saving features

Our floors are designed and constructed using high quality materials and wherever possible are fully recyclable.

Our rooflights provide illumination during daylight hours, combined with energy efficient and intelligent lighting this provides the optimal energy efficient solution for any type of operation.

80,159 SQ FT

Floor loading

Clear internal height 12.5 m

Optimising natural light

LARGE VISION PANELS

All our dock doors have large doubled glazed vision panels installed which allow operators to check for a docked vehicle before opening.

OPTIMISING NATURAL LIGHT

Translucent panels provide illumination of the warehouse in daylight hours, reducing any operational requirements for lighting — and the associated running costs.

Creating a modern office environment with cutting-edge enhancements

GLP recognises the importance of the office areas as places for people and the relevance of building design to facilitate health, well-being and productivity. Our buildings are designed to the principles of 'WELL Building' certification, whilst maintaining flexibility to enable ease of customer fit out.

Recycling performance

Cost effective

GLP washroom facilities are to a market-leading specification.

MODERN RECEPTION

First impressions count. As such, the GLP reception area is contemporary, open, spacious and flooded with natural light.

OPEN PLAN KITCHEN

Open plan kitchen and break out area, providing and supporting a collaborative working environment.

MATERIAL BENEFITS

Contemporary panoramic windows and suspended ceiling tiles. The tiles are 100% fully recyclable and come with a wide range of performance benefits, including sound absorption and good light reflection properties.

Towards Tomorrow

Our guiding Sustainability Principles

At GLP, we're not just building warehouses, we're building a sustainable future for the logistics industry.

Towards Tomorrow, our commitment to ESG: develop and manage sustainable assets, govern with high ethics, promote well-being and value our ecosystem — goes beyond words. It's embedded in every aspect of our business, from the design and construction of our buildings to how we engage with our communities. We believe that sustainability is not just good practice, it's good business.

BREEAM® UK

1. DEVELOP AND MANAGE SUSTAINABLE ASSETS

We aim to create and manage sustainable buildings throughout their life cycle, offering exceptional service and contributing to a low-carbon future.

3. PROMOTE WELL-BEING

We promote a positive work environment, prioritising a safe, diverse, and inclusive workplace while investing in our colleagues' development and well-being.

2. GOVERN WITH HIGH ETHICS AND TRANSPARENCY

We operate with integrity and honesty, expecting the same from our partners. High ethical standards are fundamental to all our business activities.

4. VALUE OUR ECOSYSTEMS

We strive to adopt a holistic approach to contribute to the preservation of the natural ecosystem and the well-being of the communities surrounding our assets.

SUSTAINABILITY THROUGH TECHNOLOGY

Many of our customers require their warehouse buildings to demonstrate excellent environmental performance.

GLP is now recognised across the world for delivering industry-leading warehouse buildings that continuously exceed our original environmental aspirations, while supporting our customers' business operations in many effective ways.

Ratings and targets
