MPS 13

MPS 13 redefines sustainable distribution, embodying GLP's unwavering commitment to ESG excellence.

This expansive 286,759 sq ft facility not only boasts a premium specification, including a generous 50-metre service yard, exceptional 15m clear internal height, 28 dock doors, and a refined two-story office space, it also champions environmental stewardship through integrated energy-saving features that minimise carbon footprint and operational costs. MPS 13 is fully primed for solar power integration and adheres to WELLness principles, creating an environment that nurtures the well-being and productivity of your employees.
