# DUESSELDORF SOUTH 1 (DORMAGEN) UNIT 1 LOGISTICS CENTRE

## RHINE-RUHR ECONOMIC REGION

The Rhine-Ruhr economic region is centrally located in Europe, and with approximately 10 million inhabitants the most populated metropolitan area in Germany. A broad mix of international conglomerates and medium-sized businesses support the formation of industry networks along the value chain. The proximity to renowned universities and the availability of qualified labour offers an extraordinary potential for logistics and distribution.

Located in the important trade and logistics centre of the Rhine district of Neuss, the property has extremely attractive transport links to the A1, A3, A46, A57 and A59 as well as a very well-developed rail network.

With their international airports, Duesseldorf and Cologne can be reached in just 30 minutes by car. Additional connectivity is provided by numerous inland harbours along the Rhine and the commercial airports of Weeze and Mönchengladbach.

### Strategic Location

A strategically excellent location with direct access to the A1, A3, A46, A57 and A59

# SUSTAINABLE EXCELLENCE

GLP's logistics- and distribution properties meet high sustainability criteria worldwide through environmentally sound building solutions.

All new developments in Germany are certified to at least the DGNB Gold standard, making them more cost-effective to operate and maintain. In addition to reducing operating costs for users, GLP contributes to sustainability by improving the CO<sub>2</sub> balance, reducing energy and water consumption, and selecting certified and recyclable building materials.
