BERLIN-WERDER (HAVEL) – UNIT 4 MAGNA PARK

BERLIN-WERDER (HAVEL) ECONOMIC REGION

Berlin and Brandenburg together form the German capital region and thus one of the most dynamic economic areas in Europe. The German capital region is a fast-growing economic region and acts as the continent's hub due to its central location in Europe. From here, every European growth market can be reached within a day's truck ride. An excellent infrastructure with fast highways and very good connections speak for this economic region.

The Magna Park Berlin-Werder (Havel) is located southwest of Berlin, directly on the A10 motorway ring road. The park is connected to the A9 (Berlin - Leipzig) and A24 (Berlin - Hamburg) motorway via the A10. The A2 (Berlin - Hannover) motorway is only a 7 minute drive away.

Project developments for logistics and light industrial production/manufacturing / packaging / administration) can be realized flexibly and at short notice.

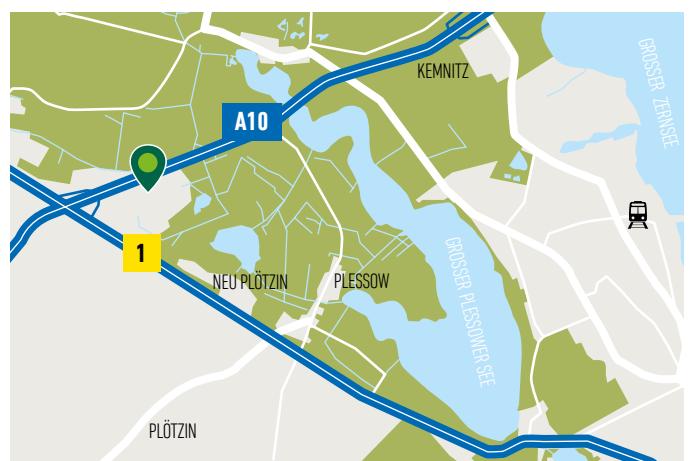

Strategic Location

A strategically well located park with direct access to the A10.
